Step inside 16 Walgrove Place SE, and itâ€™s immediately clearâ€™this isnâ€™t just another house. This is a home designed to elevate everyday living, where thoughtful details meet exceptional design in one of Calgaryâ€™s most sought-after southeast communities.

With 2,372 sq. ft. of meticulously planned space, this Homes by Avi Phillip model caters to the way modern families live. The main floor offers something many homes donâ€™t: a full bedroom and three-piece bathroomâ€™a practical touch that makes hosting guests or accommodating multigenerational living effortless. At the heart of the home, the kitchen commands attention with its massive island, sleek quartz countertops, and generous walk-in pantryâ€™the kind of space that turns routine meal prep into a pleasure. Natural light floods the great room, where an electric fireplace adds warmth and ambiance, perfect for cozy evenings in.

Upstairs, the home expands into a retreat of its own. The bonus room offers endless possibilitiesâ€™a media lounge, a kidsâ€™ play zone, or a serene reading nook. The master bedroom is nothing short of indulgent, featuring an expansive five-piece ensuite with a deep soaking tub, tiled shower, and double vanity, all designed to make unwinding at the end of the day an experience. Each of the two additional bedrooms features its own walk-in

closet, ensuring that storage is never an afterthought. A dedicated laundry room on this level adds an extra layer of convenienceâ€”because practical luxury is just as important as aesthetic appeal.

Beyond the interiors, this home is built for the future. A separate side entrance and 9â€™™ foundation provide flexibility for developmentâ€”whether itâ€™™s income generating or just additional living space. With a 200-amp electrical panel and gas lines to both the stove and BBQ, this home is as functional as it is beautiful.

And then, thereâ€™™s the location. Walden is where urban accessibility meets natural beautyâ€”a master-planned community designed for those who crave connection to both city and nature. Scenic walking trails, parks, and wetlands make it easy to step outside and breathe, while The Gates of Walden shopping district puts daily essentials, local dining, and coffee spots right within reach. Commuting? No problem. Major roadways make getting around the city seamless.
